FINANCIAL AID GUIDELINES

Scholarships are granted each semester to recipients on the basis of financial need, including those with:

- Low income
- Households with multiple students
- Special circumstances presenting a sudden or temporary hardship

In addition to financial need, consideration is given to those students who display dedication, dependability, and preparedness. Each student on scholarship will be monitored throughout the semester to evaluate their continued commitment to their education.

Possible disqualifying factors for consideration:

- Dropping a class or production mid-semester after scholarship funds have been allocated
- Consistent absences or tardiness
- Teacher/director reports of disruptiveness, disrespectfulness, or other problematic attitudes
- Teacher/director reports of poor dedication to the class/rehearsal process

Age and experience will be considered when assessing classroom behavior. If special circumstances such as a medical or family emergency occur, please bring this to the attention of the Education Director as soon as possible.

Private Lesson Instruction

Private Lessons are considered supplementary and are not eligible for financial assistance, but will be considered in each family's total out of pocket expense.

Available Financial Assistance for Summer 2022:

- **Thelma Gaylord Academy Scholarships:** Any student displaying a need for financial assistance is eligible to apply. Dropping a class within the first two weeks may alter the amount of scholarship originally awarded. Dropping a class after the drop date may result in disqualification from future scholarships.
- **The Mr. Z Scholarship:** The Mr. Z scholarship is a sponsorship awarded to elementary students from the metro. This scholarship is application and merit based and covers multiple costs throughout the student's production year. For more information, please contact Rozz at Rozz@LyricTheatreOKC.org.
